Cut out these pictures and follow the instructions to make a picture of Moses and the burning bush on a piece of card. *(or draw your own picture if you prefer)*

You will need: scissors, white card, pencils, glue stick, tissue paper in red, orange and yellow.

1. Stick Moses into the middle of the piece of card. Stick the sheep near him.

2. Now stick the outline of the bush onto your piece of paper. Cover it with pieces of tissue paper to make it look like fire.

Draw a speech bubble from the middle of the bush. Write these words in the bubble:

*Lead my people out of Egypt.*
