Create a picture on a piece of white card, following these instructions:

1. Using the sticky labels, stick the words Jesus said on the grid. You will need to get them in the right order.
2. Draw a line across the picture for the sea and colour the water blue.
3. Draw a boat on the water.
4. Draw Jesus, Simon Peter, Andrew, James and John on the boat.
5. Draw a net going into the sea.
6. Stick your fish in the net and in the sea.

On the back of your picture write down what you think Jesus meant when he said 'I will make you fishers of men'.
